

THE SUMMIT

THE SUMMIT is designed to accommodate up to four individual office condominium units, with two 1,550 sq. ft. units on each floor.

For the owner or tenant desiring more space, an entire floor (3,100 sq. ft.) or an entire building (6,200 sq. ft.) may be purchased or leased.

ELEVATION "A"
Buildings 100 & 800

ELEVATION "B"
Buildings 200 & 900

Every effort has been made to provide accurate information, but no liability will be assumed for errors, omissions or changes. Floor plans and elevations are subject to change. Dimensions are approximate.
